

Virginia Rural Water Association's 31st Annual Awards Ceremony

Each system should participate in this. We know you are proud of your employees, and you should let them know it also. Each year VRWA honors those in Virginia's water and wastewater utilities who have made great achievements within our industry. These Awards of Excellence are a distinguished way to give your co-workers a "pat on the back" for a job well done.

VRWA will give you that opportunity at its 31st Annual Awards Ceremony Program on April 17, 2019 in Roanoke, Virginia. We encourage you to submit nominations for those you feel are deserving of such honors. **You may submit more than one nomination per category.** Please email to lkerr@vrwa.org at VRWA by March 8, 2019.

Please include your name, email and phone # so we can contact you if the person/system you nominated is chosen. PLEASE participate in this wonderful honor!
